Important payment information

Payments made at a Wells Fargo branch

You may use cash or checks when making payments at a Wells Fargo branch.

Payments by mail

Mail your check and the payment coupon to the Payment Remittance Center address printed on this statement. For fastest delivery, please use the enclosed window envelope. If using a single check to pay multiple accounts, we must receive a completed payment coupon for each account being paid or a list showing the full account number and amount to be credited to each account. If you are paying multiple accounts with a single check, the total of the check must equal the sum of the payments to be applied to each individual account, with at least the total minimum payment due for all accounts. We cannot accommodate a check with a future date on it (postdated check). If you mail a postdated check, it will be processed on the date we receive it (regardless of the date on the check). To schedule a future-dated payment, sign on to the Wells Fargo Mobile App or [wellsfargo.com](https://www.wellsfargo.com) or call us.
