### Payments made at a Wells Fargo branch

You may use cash or checks when making payments at a Wells Fargo branch.

### Payments by mail

If you are paying multiple accounts with a single check, the total of the check must equal the sum of the payments to be applied to each individual account, with at least the total minimum payment due for all accounts. We cannot accommodate a check with a future date on it (postdated check). If you mail a postdated check, it will be processed on the date we receive it (regardless of the date on the check).
